

THE ORIGINAL SUPERTECH MOISTURE METER FOR GRAIN AND SEEDS

FARMPPOINT

Measure the moisture level of grain and seeds

The Farmpoint is the original whole grain moisture meter that operates using high-frequency measurement, compression of the sample and automatic temperature compensation for more reliable results.

Key features and benefits

- Handy, robust, easy to use and operate
- Automatic temperature compensation & calculation of average value
- Adjustment of calibration
- Individual calibration for all grain types
- Combined test cell and compression unit
- Digital readout with accuracy to one decimal point
- It comes in a shockproof carrying case, so you can have it always and everywhere with you
- Two years warranty

The Farmpoint is your portable and reliable companion to maintain crop quality and prevent losses. Thanks to its failproof design, it can be safely transported on your tractor and can be used everywhere.

FUNCTIONS

Farmpoint – Moisture meter for grains and seeds

Easy to use and handle

Turn on the tester by pressing the ON/TEST button. Use the arrow keys to select grain type.

Fill the test cell.

Screw on lid until the pressure indicator is level with the top of the lid.

Press the ON/TEST button and read the moisture content directly from the display.

TECHNICAL SPECIFICATIONS

Measuring range (Moisture): 5% to 45% depending on crop type

Operation range (Temperature): 0 to 50 °C

Resolution: 0.1% moisture

Temperature compensation: Automatic

Dimensions: 21 x 7.5 x 7.5 cm

Weight including carrying case: 1.5 kg

Battery: 9 V Alkaline

Display: Digital two-line LCD

Accuracy: Better than +/- 0.5% in normal moisture range when using average and calibration adjustments

AgroLog App

With the AgroLog App you are always in control of your products and storage, you get real-time insights and a historical overview of your crops.

There is a complete overview of the data collected from all devices at different times. All this information is available in the app and accessible through your smartphone.
